## IMPORTANT NOTICE CONCERNING CHANGE IN TAX RATE

Dear Business Owner/Manager,

Per a vote of the Scottsdale citizens, effective on February 1, 2019, the Scottsdale transaction privilege (sales) tax rate will be **1.75%** and the use tax rate will be **1.55%**. Tax returns for February, that are due in March, must reflect this change. Taxpayers will continue to submit their tax returns to the Arizona Department of Revenue (ADOR) and everyone who has a transaction privilege (sales) tax and use tax obligation to Scottsdale must have a license with the ADOR and have Scottsdale (SC) listed as a region code.

All businesses with a physical presence in Scottsdale, except for residential rentals, must also have a Business Registration license with the City of Scottsdale. for further information please visit [www.scottsdaleaz.gov/licenses](http://www.scottsdaleaz.gov/licenses).

**Residential Rentals** in Scottsdale must still be registered with Maricopa County and are subject to transaction privilege tax if an owner has three or more rentals in the State of Arizona. **Commercial rentals** must have both a City of Scottsdale Business Registration license and a transaction privilege license with the ADOR. In addition, all short-term rentals (for stays of under 30 days), have a tax liability and owe transaction privilege tax and transient lodging tax and must be licensed with the ADOR.

If you have any questions or need additional assistance, please contact Business Services at 480-312-7788.

Thank you,
